KCG's sincere thanks to the KAPUNDA LIONS CLUB and KCG Spouses who are donating their time to assist us with our 'move' - what a great community we live in!

*

I received the following from KCG Friend, BOB McCANCE and there is no way I could have said it any better

IMAGINE

Just imagine what and how **you** are going to **use and enjoy** our new gallery.

Now imagine, how is the gallery going to **keep going**, paying its bills and **further**, rebuilding a reserve of funds for the future developments and possibly hard times ahead.

We need **you** as members to consider any **fund raising ideas** and offer them to the committee for consideration. What **additional activity** can be developed? What **additional items** can we offer to the public on commission?

What we need are **ideas, suggestions, concepts** which could be useful in the future.

Ideas are cheap, cost you nothing, but could in the long run keep our gallery not just going, but developing.

JUST IMAGINE THAT!

Your Committee feel that the **Opening of the new Gallery** deserves substantial planning and hopefully a bit warmer weather, so it has been decided to make it **SUNDAY SEPT. 21st**, the final day of Yvonne Dalton's exhibition.

There will be a long list of invitees as there has been many contributors. Many things to organize for this very special event!

Meanwhile there is still a lot to be done to get the Gallery ready for the **first exhibition, opening on 17th August** and while that is happening "Full Spectrum" is on show in the Thomson building until Sun. 27 July.

Painting and associated renovations are **complete** (thanks to Kapunda Lions, Mike Zwarts and gallery volunteers); the **hanging system** is up, thanks to Bill McGowan and Mike Zwarts; the **lighting system** in the Thomson building is down and **soon to be relocated** (necessarily by tradesmen); **floor** will be scrubbed and buffed (courtesy local identity Bill Carrick) and **then we can start pulling it all together** with **decor, exhibitions** and the much larger **gift shop**.

WE REALLY NEED MORE GALLERY ATTENDANTS—DO YOU KNOW ANYONE? Please spread the message

To date, approximately \$1500 has been donated by Friends towards the various things needed for the new location. **THANK YOU.** Our latest donation is a brand new Fridge—to be delivered when we move in. Anyone who still wishes to donate is **MOST WELCOME** to do so, as the bills continue to mount up!

I look forward to seeing a good crowd at the Opening of Yvonne Dalton's Exhibition.

Maxine Donald

HANGING DEVICES AND ARRANGEMENTS

Works should be **suitably framed**. If on **unframed canvas** the edges should be finished neatly.

Glass should be **clean**. Check for marks on the **inside of the glass**.

All hanging works must be fitted with **large D rings**. **Minimum size is as illustrated below left**. This enables the hanging hook to fit easily into the D ring.

Any artwork that does not have the right D rings **will not be hung**.

(This has been an ongoing problem for the hanging team as incorrect D rings makes correct hanging very difficult.)

The D rings should be **placed from a quarter to one-third down** from the top of the frame with a **taut (not tight) wire** between—**centre illustration below**

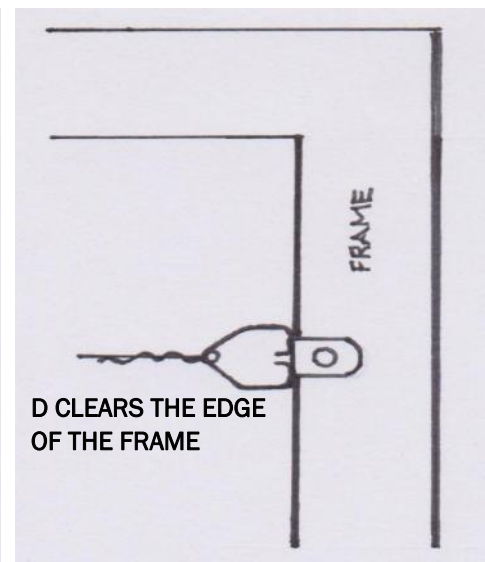

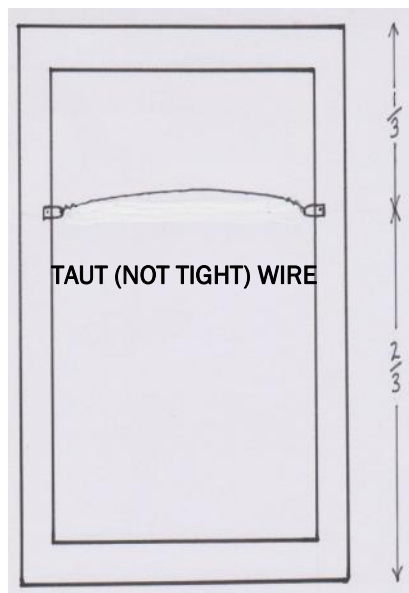

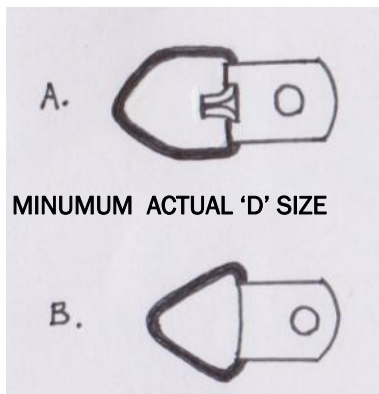

We do not hang by wire. **Please do not use cord**.

D rings must be placed so that they **clear the inside edge of the frame** (so that the hanging hook has easy access) **as illustrated below right**.

PLEASE SHARE THIS INFORMATION WITH YOUR PICTURE FRAMER.

D rings are for sale in Kapunda Community Gallery.

All works must have a **LABEL** firmly attached to **bottom rear corner of work** showing **TITLE, ARTIST's NAME, MEDIUM & PRICE**. 3D items should have the label underneath.

DELIVERY AND COLLECTION AT K.C.G.

Artworks are always **DELIVERED** on a given **TUESDAY**, to the Gallery **between 10am and 4pm**. Late works will not be hung. **COLLECTION** is always on a given **MONDAY** **between 10am and 4pm**. Please contact the Exhibition Coordinator if genuine difficulties are encountered, **BY THE FRIDAY PRIOR TO THE DELIVERY / COLLECTION DATE.**

LETTER TO THE EDITOR: From JOHN & GWENDA REES

A visit to the Brisbane Art Gallery—12/6/14

“We were at the cultural end of Brisbane’s famous South Bank and decided to have a look about in the Art Gallery of Brisbane. We had been there for perhaps half an hour when we went around the corner of one of its many space dividing walls. There, in a large glass-fronted display cabinet were two huge 6-panelled screens by 17th century Japanese artist Kano Yasunobu, and we were stopped in our tracks. Each panel was a little over 130cm wide by 240cm high (4.5ft x 8ft) on plain wooden frames covered with gold leaf on paper. The great brush paintings were done in plain hand-made black ink in classical Japanese style.

One screen was a simple painting of different sized tree branches and a few birds. The other, even more classically simple was of the highest artistic them of a few pieces of bamboo.

The sheer emotional power of those beautiful, simple panels, went deep into our ‘beings,cont. Page 4
