TRURO ART GROUP’S TURN TO SHINE—in PICTURES!

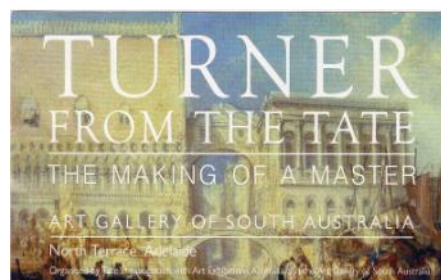

Kapunda Artist MAL CRAIG (above left) opened TRURO ART GROUP’s current exhibition on 14 April in the Kapunda Community Gallery. The Group is in its 26th year under the watchful eye of Artist/Tutor/Mentor RON BROOK. Unfortunately Ron was unable to be present at the Opening due to illness, but his work is on the wall! Speedy recovery Ron (who is also a Life Member of K.C.G.)

Photographs clockwise from left—Opener, Mal Craig; Peter Jeffs with two of his paintings of the Canning Stock Route series; Briar Herlihen’s ‘Strelizias’; Bob McCance and Jan Harman (Truro Group Artists) admiring the works on the wall.

TURNER FROM THE TATE—ART GALLERY OF SOUTH AUSTRALIA

Following on from the Introduction to this exhibition last November in Kapunda by David O’Connor from AGSA (organized by KCG), a group of 15 KCG participants visited the Exhibition on April 10. A Guided Tour and then time to browse at our leisure left us all in absolute awe of these inspiring artworks!

On April 30 another two groups organized by KCG, totalling 39 people, have booked to view this amazing exhibition.

Well done KCG—we have done our part in ensuring other such exhibitions may come to our city and Thank you AGSA!

FROM THE EDITOR / CHAIRPERSON Kapunda Community Gallery Inc.

WHAT'S HAPPENING WITH THE GALLERY CURRENTLY?

Following up on a Country Arts SA initiative whereby CASA are assisting communities to employ a part-time Arts and Culture Officer, KCG assisted Kirsty Dudley from Light Regional Council to prepare a recent submission to the Elected Members to gain LRC Budget support for co-funding the position with CASA in 2014. Unfortunately the submission was unsuccessful, with co-funding from Council not available "at this time". The Committee has registered their disappointment and expressed a hope that, should the CASA co-funding opportunity be available again for 2015, consideration be given to another application for the position.

[KCG envisages that an Arts and Culture Officer located in our region could pull together and coordinate the vast number of Arts and Cultural organizations, individuals and supporting venues within the Council boundaries for the mutual benefit of ALL. The Tourism potential alone of our richly diverse and firmly established arts and culture establishments is unquestionable, but it needs 'SOMEONE' with the time, ability and talent to bring everything and everyone together to truly celebrate that richness.....such is in brief the aim of the proposal. We believe that throughout the Light region there are many who would agree with the concept. I would be very happy to hear others' views.]

Construction will begin of the new Library office within the current Reading Room space outside the Lift area in the Thomson Building on May 1. Hanging space will thus be reduced essentially to the main Gallery area. Whilst some pieces may also be displayed on the ledge on the stairwell landing, it is possible that additional screens for hanging may need to be placed in the Gallery area to facilitate some exhibitions, e.g. the Photographic category of the Kidman Art Show. Whilst this is not ideal as it cuts down on viewing space and creates lighting anomalies, under the circumstance it will almost certainly be necessary.

The reduction in hanging space also affects the number of entries that can be accepted and thus the revenue gained by KCG through entry fees. To this end it is deemed necessary by the Committee to limit the number of entries to a maximum of 3 per Artist in Open exhibitions. In addition, entry fees will, for the 'Celebrating South Australia' exhibition and subsequently, be \$4 per entry for KCG members and \$7 for non-members. As always I welcome your comments, suggestions, observations and if possible your assistance!

Maxine Donald—Chairperson/Editor.

HANGING DEVICES AND ARRANGEMENTS FOR KAPUNDA COMMUNITY GALLERY

Because of the Gallery’s somewhat ‘archaic’ hanging system (picture rail, shark line, screw hooks) **all hanging works MUST be fitted with flat ‘D’ rings and a TAUT wire.** (NOT CORD)

The D rings should be fitted a suitable distance from the top of the work so that the work hangs fairly flat and does NOT tip forward when hung. **D rings must be of a suitable size to bear the weight of the picture and allow the hanging hook to pass through.** Tiny D rings are unsuitable. Works should be suitably framed, or in the case of unframed works have the edges painted/finished neatly.

All works must have an **information label firmly attached** to the back bottom corner with the Title, Artist’s name, media and price clearly written. 3D items should have the label underneath. **“D” RINGS FOR SALE IN THE GALLERY**

COPYRIGHT

This is a HUGE issue! The SAFEST way is to paint from your own vision or photographs.

IF YOU USE SOMEONE ELSE’S IDEA, PHOTO, PAINTING, ETC WITHOUT THEIR PERMISSION AND IT IS IN ANY WAY RECOGNISABLE, THEN YOU ARE BREACHING THE COPYRIGHT REGULATIONS.

Unless the image is stated as free of copyright OR you have the permission of the holder of the copyright, then you are not legally entitled to use that image.

As a Gallery, KCG is responsible for the promotion of proper copyright ethics.

It is a very complicated area with many ‘urban myths’ apparent.

COPYRIGHT is an ETHICAL, as well as a LEGAL issue.

When an entry form is signed, and where the conditions state that the work is **ORIGINAL**, it means that the work is **uncopied** and is the **artist’s own idea**. This includes an artwork being done from a photographic image—the copyright belongs to the photographer.
