## FROM THE EDITOR / CHAIRPERSON

### Kapunda Community Gallery Inc.

The '**DEED OF VARIATION**' has been signed and returned to Council giving KCG an extension to the use of the Gallery for a further 2 years with the same conditions as those of the past 5 years. During the next 18 months a new Management Agreement will be negotiated.

Meanwhile **REPAINTING OF THE GALLERY** is about to happen and the **ENTIRE THOMSON BUILDING WILL BE CLOSED Sept. 3 TO 9 inclusive.**

The Committee was absolutely delighted to have Dan van Holst Pellekaan (and his wife Rebecca) present to open the "Getting from Here to There" Exhibition— Dan certainly does a lot of 'getting from here to there' in his vast electorate! Dan made a speech in Parliament a while ago pertaining to the value of Art in regional areas. He is an avid supporter of the regional galleries, artists and art communities in rural areas, realizing the health and social benefits 'the arts' contribute. Thank you to Dan and Rebecca for making the journey 'south' to Kapunda!

**PLEASE NOTE A NEW EMAIL ADDRESS FOR THE GALLERY.....**

**[kcg@kapundagallery.com](mailto:kcg@kapundagallery.com)**

Unfortunately one of our Friends was the victim of a virus which in turn affected some KCG email recipients. Please be aware that KCG will NEVER send/forward any emails marked as "PERSONAL MESSAGES". We sincerely regret the problems that were caused and trust that it will not occur again. The previous Hotmail address is still in use as we are able to access it safely but please use the new email address from now on.

I would like to thank **ERIC CLARKE** for his work as KCG WEBMASTER. Eric spends quite a lot of time on our site updating, publishing and generally ensuring that KCG is providing what is needed for site visitors. Eric also provides assistance with the Gallery computer, responding to our calls for "HELP!" Eric is not an Artist (but his wife is) and we very much appreciate his commitment to KCG, especially when 'emergencies' occur—as with the recent email glitch! Thanks Eric.....

If you think you can see the paintings more clearly in this exhibition it may be because **DAFYDD LLEWELYN** braved life and limb (we are insured) to clean the glass and replace the globes in the Gallery Chandelier above the desk! For some reason we who frequent the place seem to all be 'vertically challenged' and it is a very long way up to the chandeliers! Thank you Dafydd!

And finally - if you are able to heed the call for more **Sitters** (PAGE 4) PLEASE DO SO. Illness, holidays and paid employment has taken its toll on the list. Even one 'sit' for 3 hours a month makes a big difference!

Maxine Donald

KCG Chairperson and Editor.

# HANGING DEVICES AND ARRANGEMENTS FOR KAPUNDA COMMUNITY GALLERY

Because of the Gallery’s somewhat ‘archaic’ hanging system (picture rail, shark line, screw hooks) all hanging works MUST be fitted with flat ‘D’ rings and a TAUT wire. (NOT CORD)

The D rings should be fitted a suitable distance from the top of the work so that the work hangs fairly flat and does NOT tip forward when hung. D rings must be of a suitable size to bear the weight of the picture and allow the hanging hook to pass through. Tiny D rings are unsuitable. Works should be suitably framed, or in the case of unframed works have the edges painted/finished neatly.

All works must have an information label firmly attached to the back bottom corner with the Title, Artist’s name, media and price clearly written. 3D items should have the label underneath.

**NO CORD AND NO SCREW EYES accepted.**
