FROM THE CHAIRPERSON

Kapunda Community Gallery Inc.

This week marks KCG'S first full year of operation since relocation to the Main Street premises. It has been a full-on, non-stop roller coaster ride that I look back on in amazement! During the past few weeks of cold Kapunda weather about half of the Management Committee have taken well-earned breaks, heading north in our beautiful country or into the northern hemisphere for sunshine and revitalization.

The second **Management Committee Workshop** (facilitated by Kirstie Jamieson, Project Officer with Regional Galleries SA) concentrated on Strategic Planning. It is time to draw breath and review what has taken place, what is being done currently and where KCG is heading. Kirstie's experience in galleries and planning, formed an excellent base for the beginning of those discussions.

The early stages of seeking approval for **redevelopment** (getting water in and out of the building) continues, following advice on the specific approvals and written plans needed to begin the actual process; the 2016 Exhibition Calendar has been set. Both these projects require considerable thought and work.

With entries closing in four weeks and the show beginning in eight weeks **all our efforts must now be focussed on the upcoming Kapunda Kidman Rotary Art Show.** Entries are coming in slowly at this stage (artists are notoriously slack in getting entries in at the last moment!). We are really hoping for a record number this year. Jill Innes and myself have been attending Art Show Committee Meetings with Rotary consistently since the beginning of the year and now it really is 'ALL SYSTEMS GO'!

The list is on the Gallery desk for everyone to fill in a timeslot to help out in either the Gallery or the Institute. Our regular Gallery Attendant roster will fill the Gallery and there will be an additional roster for the Institute. So even if you don't regularly volunteer in the Gallery we really need you to help out (and raise much needed funds) during the Art Show. **PLEASE SHOW YOUR SUPPORT** in any way you can.

Many **KCG Artists** support the Gallery as Gallery Attendants. It is an ideal opportunity to talk to people who visit (potential appreciators and buyers of work) to be in touch with public opinion. Even if Artists are not regular Gallery Attendants, their presence during times when they have work in the Windows or in the Gallery would be appreciated. **Visitors get a genuine thrill out of meeting those who produce the work they admire as do most artists when they meet someone who admires their work!** We would love more artists to spend a little time, especially on weekends, in the Gallery. (I would like to hear your thoughts on this, either as a visitor or an Artist.)

Congratulations to TREVOR HANCOX for winning the People's Choice Award in 'New Beginnings' with "Wren School Beginners" (23 votes). Runner-up was Sandy Hoffman's "Trepkina Gorge, Alice Springs" (19 votes). There were 178 votes in total and every artist exhibiting received at least one vote!

Roll on Spring and some warm sunshine!

Maxine Donald.

All participants attending Margaret Tuckey’s workshop on August 1 enjoyed it very much. It was a perfect way to spend a very rainy Saturday, expanding our knowledge of general colour theory: primary, secondary, tertiary, complementary colours; colour schemes and tonal values.

Margaret gave a demonstration of colour mixing and then we carried out an exercise in working with just two complementary colours.

After a short lunch break, we started working on our own paintings, and Margaret worked on a painting demonstrating blocking in colour and shape.

At the end of the day when the works were put up, we had all accomplished good work and most importantly, had advanced our knowledge of colour.

For the twelve of us there, it was a very positive experience.
