84 EXHIBITS ON THE WALL & 1 ON A PLINTH.

This year’s “Summer Exhibition” kicked off in style on Dec. 10th with just over 40 enthusiastic artists and viewers present, eager to learn the place-getters in the 2017/18 Awards.

Opener **BRIAN CARR** (Light Regional Council CEO and Artist) was introduced to those gathered by KCG Exhibition Coordinator and Emcee for the event, **Bill McGowan**.

Brian gave an address that delighted and buoyed the spirits of artists present, as he outlined Council’s plan for economic benefit through boosted tourist visitations, driven by Art and Heritage. Council has secured the Kidman Memorabilia display, adding to the Mine site, Museum and many other heritage assets in our town. Quoting Brian, we are “sitting not only on a Copper mine, but potentially on a Gold mine” in relation to the strongly identified trend toward tourism destinations that provide access to Food, Wine, Art and Heritage!

It is a plan in which KCG Inc. has an important opportunity to participate—through the Gallery, Mural Town Project and our many individual artists). For those who remember KCG’s final, very successful exhibition of the Kidman Memorabilia display in the Thomson Building, it will be apparent how much attention that exhibition attracted!

FROM THE CHAIRPERSON — MAXINE DONALD

The **Kapunda Schools Exhibition twilight opening** was well attended. This year's display was considered by many to be the most colourful for some years. The diversity and standard was appreciated by visitors. Thanks to the staff, students and parents from both schools for their continued interest in displaying the student artwork. Also sincere thanks to **KAPUNDA PIZZA BAR & TAKEAWAY** for their food donation for the evening. It was much appreciated and soon devoured!

The thoughts of Committee then turned to preparations for the annual **SUMMER EXHIBITION**, always a popular exhibition on the Calendar. This year's display attracted 85 entries. We sincerely thank the **Sponsors of Awards** given for this exhibition—**Cash Prizes kindly donated by KCG Friend Dulcie Fitzpatrick and a Framing Voucher donated by LITTLE GLORY FRAMING, Kapunda. At the conclusion of the exhibition a \$100 Voucher courtesy of Judy and Graham Rees from PORT ART SUPPLIES will be awarded to the artist of the entry with the most viewer votes.** Sponsors are very important to the Gallery!

Deane presenting the cheque.

At the Summer Exhibition Opening DEANE ROHRLACH presented KCG with a cheque from KAPUNDA ROTARY for \$3000.

Thank you to Rotary and a huge thank you to all the KCG volunteers who pulled out all stops to contribute to the success of the 2017 Kapunda Kidman Rotary Art Show.

The bi-annual Art Show collaboration between Rotary and KCG demonstrates the mutual benefit for both organizations.

The final celebration for the year will be during the **KAPUNDA CHRISTMAS STREET FESTIVAL** when the Gallery will be open and taking part in the popular children's event "The Copper Trail". Visit us on the evening, Friday Dec. 15th.

Once again the **North Kapunda Hotel Dining Room Display** of artworks has been changed. This opportunity to display artwork and photographs is only available to KCG financial members. Whilst costing nothing to members to hang their work, a small commission is applicable if works sell. It is a good opportunity to "get your work seen" and just one of the options available to KCG artist Friends!

This the final edition of 'Hanging Around' for 2017. There is no publication in January. Unfortunately this means that we are well into February 2018 before the next full edition. **As the Annual General Meeting will take place on MONDAY February 26 at 7pm, I am NOW asking (pleading) for members to consider putting in a year or two on the committee—some members are retiring, having put in their time.** (Thankfully some will continue their role off the committee, which is very much appreciated.) **PLEASE GET IN TOUCH WITH ME IF YOU WOULD LIKE TO KNOW MORE about this absolutely vital part of KCG**

On behalf of the KCG Management Committee I wish all KCG Friends and Sponsors a very safe, happy Christmas and festive season. May 2018 bring peace and goodwill to our world.

Thank you everyone for another very successful year for KCG Inc.

Maxine.

KAPUNDA MURAL TOWN Update

For a number of reasons actual work on the Newsagency wall mural has been intermittent. Not the least of the problems has been the very changeable weather!

Danny will be taking a well-earned break over the next few weeks but will be doing bits and pieces on the wall as he can, before the volunteers begin helping.

Behind the scenes the KMT sub committee continues to forge ahead - seeking funds, contacting building owners, working on approvals, communicating with a range of artists and generally keeping the project moving. Unfortunately it is not ALL about the painting.

AN OPPORTUNITY FOR ARTISTS

Australian Art Hub is an online opportunity to sell PRINTS of your work. It is designed by Artists FOR Artists with a view to the original artist getting a realistic profit from their work. The business is based in Eudunda, so is LOCAL. If interested please check out the WEBSITE and take it from there.

EXHIBITING WORK WITH KCG

The next "Open" exhibiting opportunity at KCG is "MASTERS WITH A MODERN TWIST" (as detailed in the previous edition of 'Hanging Around', available to read on the website.) Please note that works will only be accepted that meet the requirements, so please check. If in doubt—ASK, via email.

During the recent hanging of the Summer Exhibition and the change over of work in the Hotel Dining Room display it became apparent that some artworks are NOT MEETING THE PRESENTATION CONDITIONS (stated on the KCG Conditions of Entry Form). Consequently we have had to reject some works.

The main offences relate to

(a) **D rings**— ALL WORKS TO BE HUNG MUST HAVE D RINGS.

The D rings must be LARGE.

(b) **Wire**— The wire between the D rings must NOT BE STRETCHED TIGHT. It must have a bit of "give" in it so that a hook can be placed easily through the D ring.

(c) **Frames**— Frames should be not be damaged.

(d) **Glass**— Should be cleaned thoroughly before delivery.

Presentation is VERY IMPORTANT. It reflects on the individual artist and on KCG.

We do not wish to offend artists by rejecting works, so please don't present sub-standard work for display.

Again, if in doubt ASK! (All at KCG involved with the exhibitions are only too happy to assist artists, but don't leave it until delivery day.)

SEASON'S GREETINGS EVERYONE!
