THE BIGGEST AND BEST KAPUNDA SCHOOLS' EXHIBITION YET!

The additional space and flexible layout of new Gallery is being utilised fully by the current exhibition. The range of subject matter, styles, diverse media and presentation employed by these young Artists is phenomenal!

The addition of 'window space' is enticing visitors into the exhibition, which was coordinated this year by Stuart Hoerisch (KHS) and Trudi Conway (KPS). The Year 12 SACE component will be moderated on November. 19th and KCG wishes all Year 12 Art students well for their magnificent effort this year.

COLLECTING

KCG would appreciate any clean, undamaged brown or white paper gift bags with cord-type handles for re-use in the Gallery Shop.

In the interests of the environment we prefer to **RECYCLE!**

Bags can be left at the Gallery desk during opening hours—10am to 4pm daily.

WHAT HAS BEEN In addition to the very successful Opening of the Kapunda School's Exhibition. (Page 1) KCG joined in the mayhem that was the **KAPUNDA TOWN GARAGE SALES** day. The lawn area behind the Gallery was the ideal location as we welcomed buyers through the opened double gates, from 8am to 3.45pm. **Thanks to the contributors of goods \$414.20 was raised on the day!** Thanks also go to the 'shop-keepers' who set up, took it in turns to sell and cleared up the small residue!

KCG's much-appreciated **Gallery Attendants** are settling in to the new routines and environment. Jill, Leonie and the Committee thank them for their patience and attendance. Now, **as a totally separate entity in our own space, we must be open for the entire times stated on the window** and that necessitates foresight, pre-planning and diligence by everyone...

So far there have been minimal 'mishaps' and hopefully the routines will soon be firmly ingrained! **More attendants are still needed** as we rely heavily on two or three of our volunteers in particular and when they are unavailable, rostering becomes extremely difficult.

AND WHAT IS COMING UP

At our November. Committee meeting we will be reviewing all areas of operation and trying to write up **policies for each area** so that the information is available in one folder, in the Gallery. This will be a huge help, but such things are very time-consuming to prepare. Again we ask for your **PATIENCE!**

WORKSHOP day at Davison Reserve with Robert Anderson (see top of page 4) promises to be a day of learning and enjoyment. Don't miss the opportunity on SAT. DEC. 6th.

A reminder that the HOTEL CHANGEOVER will happen at 9am on TUESDAY DEC. 9th. PLEASE heed the call if you display work but haven't assisted with the Hotel hanging this year. It is only expected **ONCE PER YEAR** (beginning in March) but it is often the same people helping each time. Everyone is busy but if you exhibit you are expected to take a turn.

The fantastic **KAPUNDA CHRISTMAS STREET PARTY** is happening on Friday 12th Dec, from 5pm. **THIS YEAR WE WILL OPEN THE GALLERY until 8.30pm AS WELL AS** facilitating the road chalk drawing for littlies. **HELP WOULD BE MOST WELCOME—either in the Gallery or on the road!**

Please leave your NAME and a TIME at the Gallery desk BY DEC. 5 if you are able to help for ONE hour between 5 and 8.30pm on that evening.

The **SUMMER EXHIBITION OPENING** is on **DEC. 14th at 2pm.** This annual 'get-together' for Artists, Friends and Visitors is a most enjoyable occasion and we hope to see you there.

Maxine Donald.

HANGING DEVICES AND ARRANGEMENTS

Works should be **suitably framed**. If on **unframed canvas** the edges should be finished neatly.

Glass should be **clean**. Check for marks on the **inside of the glass**.

All hanging works must be fitted with **large D rings**. **Minimum size is as illustrated below left**. This enables the hanging hook to fit easily into the D ring.

Any artwork that does not have the CORRECT ‘D’ rings will not be hung.

(This has been an ongoing problem for the hanging team as incorrect D rings makes correct hanging very difficult.)

The D rings should be **placed from a quarter to one-third down** from the top of the frame with a **taut (not tight) wire** between—**centre illustration below**

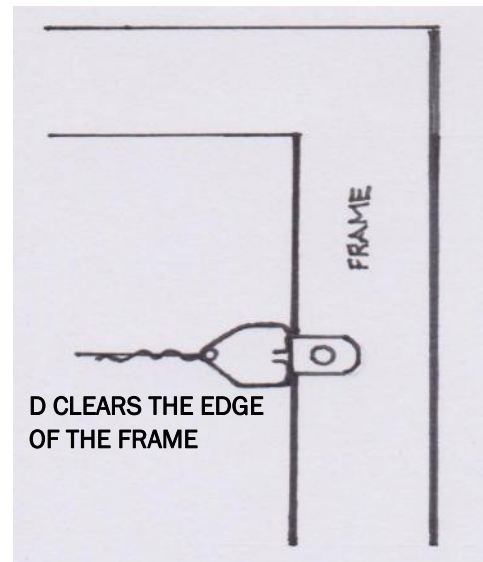

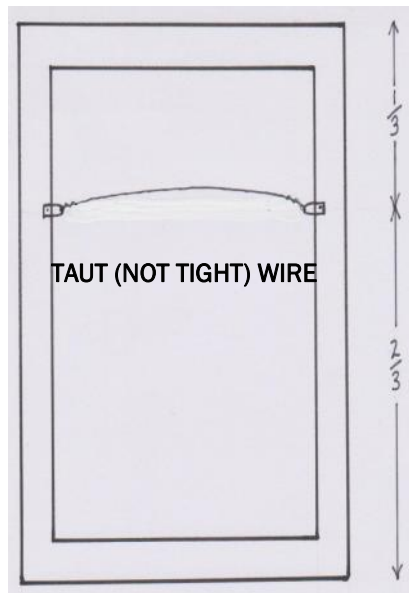

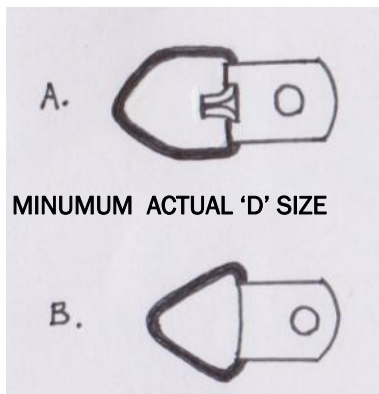

We do not hang by wire. **Please do not use cord.**

D rings must be placed so that they **clear the inside edge of the frame** (so that the hanging hook has easy access) **as illustrated below right.**

PLEASE SHARE THIS INFORMATION WITH YOUR PICTURE FRAMER.

D rings are for sale in Kapunda Community Gallery.

All works must have a **LABEL** firmly attached to **bottom rear corner of work** showing **TITLE, ARTIST’S NAME, MEDIUM & PRICE**. 3D items should have the label underneath.
