FROM THE EDITOR / CHAIRPERSON

Kapunda Community Gallery Inc.

The '**DEED OF VARIATION**' has been signed by the Council and KCG giving KCG an extension to the use of the Gallery for a further 2 years under the same conditions as those of the past 5 years.

Meanwhile **REPAINTING of the Main Gallery** (between skirting and picture rail) has been completed and it looks so fresh and light! Thanks to Bob Cameron who was contracted to do the work. The work was completed at a cost of \$1250 with \$500 of that contributed by Light Regional Council through a Grant obtained by KCG from the Council in 2011. The remainder came out of KCG General Funds.

The Committee recently purchased a **Radio/CD/MP3 Player** for the Gallery for the benefit of Sitters and Patrons.

The purchase of some new muslin for the Gallery's eastern window and a fresh coat of paint on the centre table, plinths and shelving would see the Gallery in good stead for some time.....any volunteers?

A FURTHER REMINDER.....

PLEASE NOTE A NEW EMAIL ADDRESS FOR THE GALLERY.....

kcg@kapundagallery.com

It seems only very recently that I put out a call for volunteers for the 2012 KCG Committee—but here I am doing it again as we start thinking about 2013!

Anne Gonaus and myself attended the quarterly **REGIONAL GALLERIES ASSOCIATION meeting in PT. AUGUSTA** last week. The "Mapping Project" (essentially an audit of each of the member galleries) is about half-way complete, with the promise of exciting outcomes for the future direction of regional/remote galleries in SA. It is anticipated that Gallery representatives will see the project draft at the December 2012 meeting, with the state-wide rollout of the project beginning in about February 2013.

A special "Strategic Planning" meeting of the group will be held on October 31, preceded by the Regional Galleries SA AGM.

The RGSA has the potential to radically improve 'the lot' of regional galleries through advocacy and the voice of gallery unity. Tax deductibility status for the Association is in the process, which will also enhance its capabilities.

We live in exciting Gallery times!

HANGING DEVICES AND ARRANGEMENTS FOR KAPUNDA COMMUNITY GALLERY

Because of the Gallery’s somewhat ‘archaic’ hanging system (picture rail, shark line, screw hooks) all hanging works MUST be fitted with flat ‘D’ rings and a TAUT wire. (NOT CORD)

The D rings should be fitted a suitable distance from the top of the work so that the work hangs fairly flat and does NOT tip forward when hung. D rings must be of a suitable size to bear the weight of the picture and allow the hanging hook to pass through. Tiny D rings are unsuitable. Works should be suitably framed, or in the case of unframed works have the edges painted/finished neatly.

All works must have an information label firmly attached to the back bottom corner with the Title, Artist’s name, media and price clearly written. 3D items should have the label underneath.

VISIT TO PT. AUGUSTA cont..

There were lots of events in the town but we only had time to attend the Opening of Val Surch's exhibition and the sculpture exhibition in the Aust. Arid Lands Botanic Garden. (Page 1.)

With many more exhibitions, markets, workshops and events planned for the Festival, it would have been nice to have more time to spend (Besides, the weather was glorious!) Ed.
