## KAPUNDA KIDMAN ROTARY ART SHOW

### PHOTOGRAPHIC CATEGORY

### IS NEXT ....

**THE PHOTOGRAPHIC CATEGORY SHOULD BE READY FOR PUBLIC VIEWING IN THE KAPUNDA COMMUNITY GALLERY FROM 9TH OF OCTOBER. THIS CATEGORY PRECEDES THE REST OF THE ART SHOW IN THE INSTITUTE, WHICH BEGINS WITH THE GALA OPENING ON THE EVENING OF 16TH OCT.**

Thank you to those who have offered to help before and during the Art Show. Assistance to book in, hang and book out works is still needed so if you have a couple of hours to spare it is not too late to offer your time. Contact Maxine Donald or Jill Innes.

By the time this bulletin reaches Members, entries will have closed and final arrangements will be underway.

Tickets for the **GALA OPENING NIGHT** will be on sale soon from the Kapunda VISITOR INFORMATION CENTRE. The doors will open to the public at 7pm, with the presentation of Awards at about 8pm.

**KCG and Kapunda Rotary are very grateful to the ART SHOW SPONSORS for their donations. Once again, please support those who support us .... a list of Sponsors appears on Page 4.**

## FROM THE CHAIRPERSON

### Kapunda Community Gallery Inc.

**The workload, especially for Committee gets more and more as KCG realizes the aims and goals put forward in our Proposal to LRC for the relocation of the Gallery.** I find it hard to believe that we opened the doors in the Hambour Building on Main Street in August 2014, just thirteen months ago!

Currently the **5th Kapunda Kidman Rotary Art Show looms large** on our horizon—already there has been almost 12 months of planning and work behind the scenes. Now we must rely on KCG and Rotary Members and the general public to make it the success that it deserves.

**Other than the Rotary Art Show there is much happening—all of which is for the benefit of the Arts community in our town and region.**  
Briefly—

- **Renovation Update**—A Development Plan is necessary. We are waiting on the relevant drawings from a draftsman at the moment. A regional Grant application is underway which assists with the funding of the project, IF the application is successful.
- **A Busy bee is happening in the Gallery on Tuesday 29th SEPTEMBER.** There is a gap in the exhibition calendar which will enable cleaning, touch-up painting, sorting, filing and a general tidy-up to happen. **The assistance of Committee and Members would be much appreciated.** Come armed with buckets, rags, a paint brush, gloves etc. please for a 10am start.
- **Volunteer numbers have plummeted**, with illness, hospitalization, retirement and work commitments .... **WE NEED ADDITIONAL VOLUNTEERS. PLEASE HELP RECRUIT, OR WE MAY WELL HAVE TO REVIEW THE OPENING HOURS.**
- **A huge THANK YOU to CHRIS SMITH** (from Travena Road) for mowing the back lawn at the Gallery. Chris has no direct relation with the Gallery, which makes his time donation all the more special!
- KCG has booked a time at the Light Region's Council meeting in November to make a **Presentation updating Council on KCG's relocation progress and thanking them for their faith in, and contribution to the move.** Regional Galleries SA Project Officer, Kirstie Jamieson is joining us in the Presentation.
- **Fire Extinguishers** have been ordered for the Gallery (at Gallery expense). We cannot compromise the safety of our volunteers.
- Plans are afoot to work with **Kapunda Historical Society** for a project at the Museum during May (History Month) 2016. Details later ....
- **There WILL be Committee vacancies in 2016.** Think about making a contribution either on the Committee, or as an assistant to a Committee Member.
- The **KCG Constitution (of 1989) will be updated** prior to the 2016 AGM, where it will be presented to Members for ratification.
- I hope you have put **ALAN RAMACHANDRAN's WATERCOLOUR DEMONSTRATION** on your calendar—Nov 15th, 1-4pm Maxine D.

## HANGING DEVICES AND ARRANGEMENTS

Works should be **suitably framed**. If on **unframed canvas the edges should be finished neatly**.

**Glass should be clean.** Check for marks on the inside of the glass.

All hanging works must be fitted with **large D rings**. **Minimum size is as illustrated below left.** This enables the hanging hook to fit easily into the D ring.

**Any artwork that does not have the CORRECT 'D' rings will not be hung..**

(This has been an ongoing problem for the hanging team as incorrect D rings makes correct hanging very difficult.)

The D rings should be **placed from a quarter to one-third down** from the top of the frame with a **taut (not tight) wire** between—centre illustration below

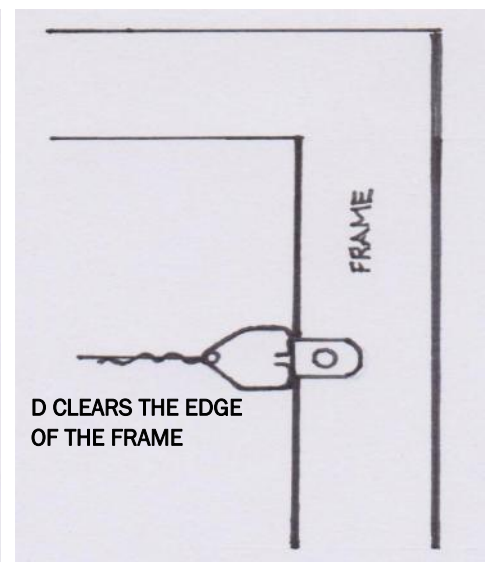

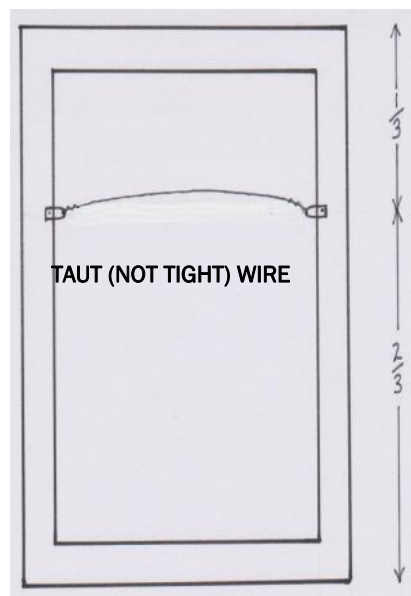

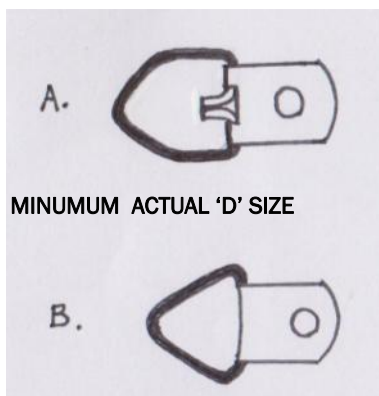

We do not hang by wire. Please do not use cord.

D rings must be placed so that they **clear the inside edge of the frame** (so that the hanging hook has easy access) **as illustrated below right.**

**PLEASE SHARE THIS INFORMATION WITH YOUR PICTURE FRAMER.**

D rings are for sale in Kapunda Community Gallery.

All works must have a **LABEL** firmly attached to bottom rear corner of work showing **TITLE, ARTIST'S NAME, MEDIUM & PRICE**. 3D items should have the label underneath.
