COMMUNITY GALLERY

*Gather and connect with other creatives*

*How it works...*

Each month is hosted by a participant who will set the tone for the night providing the music, snacks and inspiration (maybe a still life set up or theme). Bring along and work on your own art project whether it be painting, drawing, collage; whatever takes your fancy!

**FREE**

*All levels of experience are very welcome.  
No age restriction, but under 18s need to have a  
responsible person with them.*

**6pm first Thursday of the month**
